MSP WORLD CUP TALLINN (EAST)_COMUNICATO FOR FOREIGN CLUBS

Tallinn is the European Capital of Sport 2025, taking over from the Italian city of Genoa. Aces Europe, Federation of European Capitals, and Cities of Sport confer the title. The programme in the Estonian capital will be divided into twelve thematic months, each highlighting a sport. January will focus on skiing, followed by combat sports in February, ice skating in March, hiking and Nordic walking in April, running in May, cycling in June, beach sports in July, ball games in August, orienteering in September, fitness in October, brain games in November, **and Roller Figure Skating** and disc golf in December

MSP Italia - Roller Sports Section, informs that, as part of the "R. D. Bettinelli" Memorial Figure Skating Championship, the organization of the first MSP World Cup 2025 has been launched in collaboration with Foxartistic.

The trophy was inspired by the organizers, with the aim of giving athletes the opportunity to participate in a unique, sought-after sporting experience designed to revive the **promotion of sport**.

GENERAL INFORMATION

We inform you that starting from Tuesday 03 February 2025 pre-registrations for the Msp World Cup are open, the same will close on Saturday 05 April 2025 and/or in any case within the maximum number of athletes estimated.

Pre-registrations are not binding, and no payment is required but will allow you to plan the event in the best possible way.

ACCOMPANYING ATHLETES AND ASSIGNING POINTS

The athletes will be accompanied in the race by their club coaches assisted by any contact person identified by MSP for each nationality.

For the MSP World Cup Phase, all members (excluding the categories of the respective national and international federations F.I.S.R. and/or World Skate) will compete for the points for the awarding of the trophy, at the level of nationality and not of individual clubs, following the score tables reported in art. 23 of the Regulation.

Coordination meetings will follow following the closing of registrations.
